INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants wish to draw attention to the documents listed on the accompanying Form PTO-1449, copies of which documents are enclosed.

With regard to Japanese Laid-open Publication No. 9-184910, an English translation of the document is attached to the copy provided herewith.

With regard to Japanese Laid-open Publication No. 3-274504, please note that this document shows a color filter revision method and revised color filter. It has a clear base 12 and a black matrix 14 that defines picture elements. FIGs. 2a and 2b show a color filter layer 24 having a defect 26. In FIGs. 3a and 3b, the picture element having the defect is removed by laser treatment making a square blank 28. Then, referring to FIGs. 1a and 1b, a revised color filter layer 32 fills in the blank.

Pursuant to MPEP 609, it is requested that the Examiner should initial Form PTO-1449 to confirm that each document has been considered, and return a copy of the form to the undersigned.

Respectfully submitted,

James H. Walters, Reg. No. 35,731
